Activities

Please Note: Kitsosoo/Xai'xais Nation is embarking on a territory-wide tourism management strategy in response (in part) to the significant increasing tourism activity over the past years. Many parts of the territory are overcrowded and may be reaching tourism carrying capacity. Until this strategy is complete, we are not entertaining any new or additional tourism activity and associated protocol agreements, or tenure/permit referrals (under our government to government engagement frameworks), except for some limited opportunities in specific locations (eg. anchorage only).
